05 EMPLOYMENT HISTORY

2021 — Present

Technical Manager at Taylor Wimpey

London

A key player in the technical department managing complex site-specific design information from commencement to completion.

- Appoint and manage all external consultants to produce site specific packages and information to an agreed programme. Ensure all design documents and information complies with Group Technical Brief, Planning and Cost Plan.
- Manage all Building Regulations & Building Warranty information and coordinate full design approval. Coordinate contractor design elements and liaise with sub-contractors to achieve accurate design approval. Liaise with other departments on technical interface matters while providing back-up and information flow. Ensure all statutory enquiries, crossovers, sewer connections are submitted and pursued for their timely return. Audit all design and technical information to ensure accuracy in detail, buildability and value.
- Appraise tender documents and assist the commercial team to agree value engineering elements. Providing mentorship and support to junior staff within the department.

2017 — 2021

Berkeley Group Plc, St James / St William at Technical Manager

London

- Assisted the planning department with pre-application design reviews and cost planning.
- Ensured all design documents and information complied with Group Technical Brief, Planning and Cost Plan. Managed compliance with statutory requirements and regulations.

2014 — 2017

Project Architect at Broadway Malyan Ltd

London

- Worked as part of the Lead design team responsible for designing and coordinating construction documents for the housing scheme Erith Park Phases 1 & 2- £120M (Main Contractor - Wates)
- Worked on Nine Elms, a 645 unit £450M high-end residential project above a flagship Sainsburys superstore in Vauxhall (Barratt London)
- Conducted site visits to inspect works and amend working drawings to proactively resolve design problems. Prepared weekly and monthly programme updates for reviews to ensure that work remained on schedule.
